Thanks, Liz. Well, so much for that. Any chance you have a pic of the front plate of your stamped 101, for comparison?

Also, I believe I was wrong about the date for the old style one (left, above). Would probably be later. Perhaps 1920. I was quoting pocket cases vs wrist. Faulty memory--and too many lines of Excel! Will have to edit it out in post-production :lol:

Thanks again for your help & info.
