This seems a fitting place to memorialize my Trooper family. All the case types, and two of the dial styles.

I had to sell the 14k one - it goes into the mail today. But here's a shot of them all together.

If anyone is interested, I'm probably going to sell the left-most (10k GF) one. It has a bad balance, but otherwise looks good. Now that I don't have the set, I have no reason to keep it. You can tell from the picture which one gets worn... (I really like the tarnished sterling look.)
