Alex, great, yes, I assumed that production began earlier than the company was officially registered. This would have been common use.

The serial number from the ad is the one from the 1910s thread, Matt's post:

[url=http://vintagegruen.org/vgforum/index.php?t=msg&th= 43&goto=11907&#msg_11907][url]

Sorry, can't make the link work as such.

This should be the early (first?) Veri-Thin caliber.
