Subject: Re: 21 Jewel 14 Karat Quadron Posted by C. Hurt on Tue, 03 Sep 2013 19:43:44 GMT View Forum Message <> Reply to Message

I know of a 355 14K model that was advertised as the Carlisle, probably around 1937.

I've owned a couple of this model, and I don't recall them having the 21 Jewel text, so I'm not sure it's incorrect. I also have been lead to believe that these were originally marketed in Canada, rather than in the US.
