A close-up photograph of a vintage pocket watch face. The watch has a dark, possibly black or dark brown, dial with a square shape and rounded corners. The dial is framed by a decorative border consisting of two concentric lines with small rectangular notches between them. The hour markers are large, bold, black Roman numerals. The brand name "GRUEN" is printed in a simple, sans-serif font in the upper right quadrant of the dial. The watch hands are dark and simple in design. The watch is set against a light-colored, textured background.
