Btw, I did manage to find an online copy of the Nov 6 1941 Engineering News-Record. Sadly, the ad is not there. Perhaps it was on the back cover (that page is only one missing), or they cancelled the buy. I'm presuming this proof was also used for the copyright entry on Oct 15 1941. Have not located the Contractor Engineer Monthly for October 1941. It must be in that one, as a printed copy was needed to get the copyright.
