Hi Jenneke,
I saw this box in an ad that seemingly was a close match of a box of mine. It's quite similar to yours here but there are differences like the gold bead trim. I do not know if it's enough to convince you that this box could possibly be for a men's watch but thought I'd share, whadyathink?
The date on it is San Fran Examiner, December 13, 1931.

My box.

The ad.

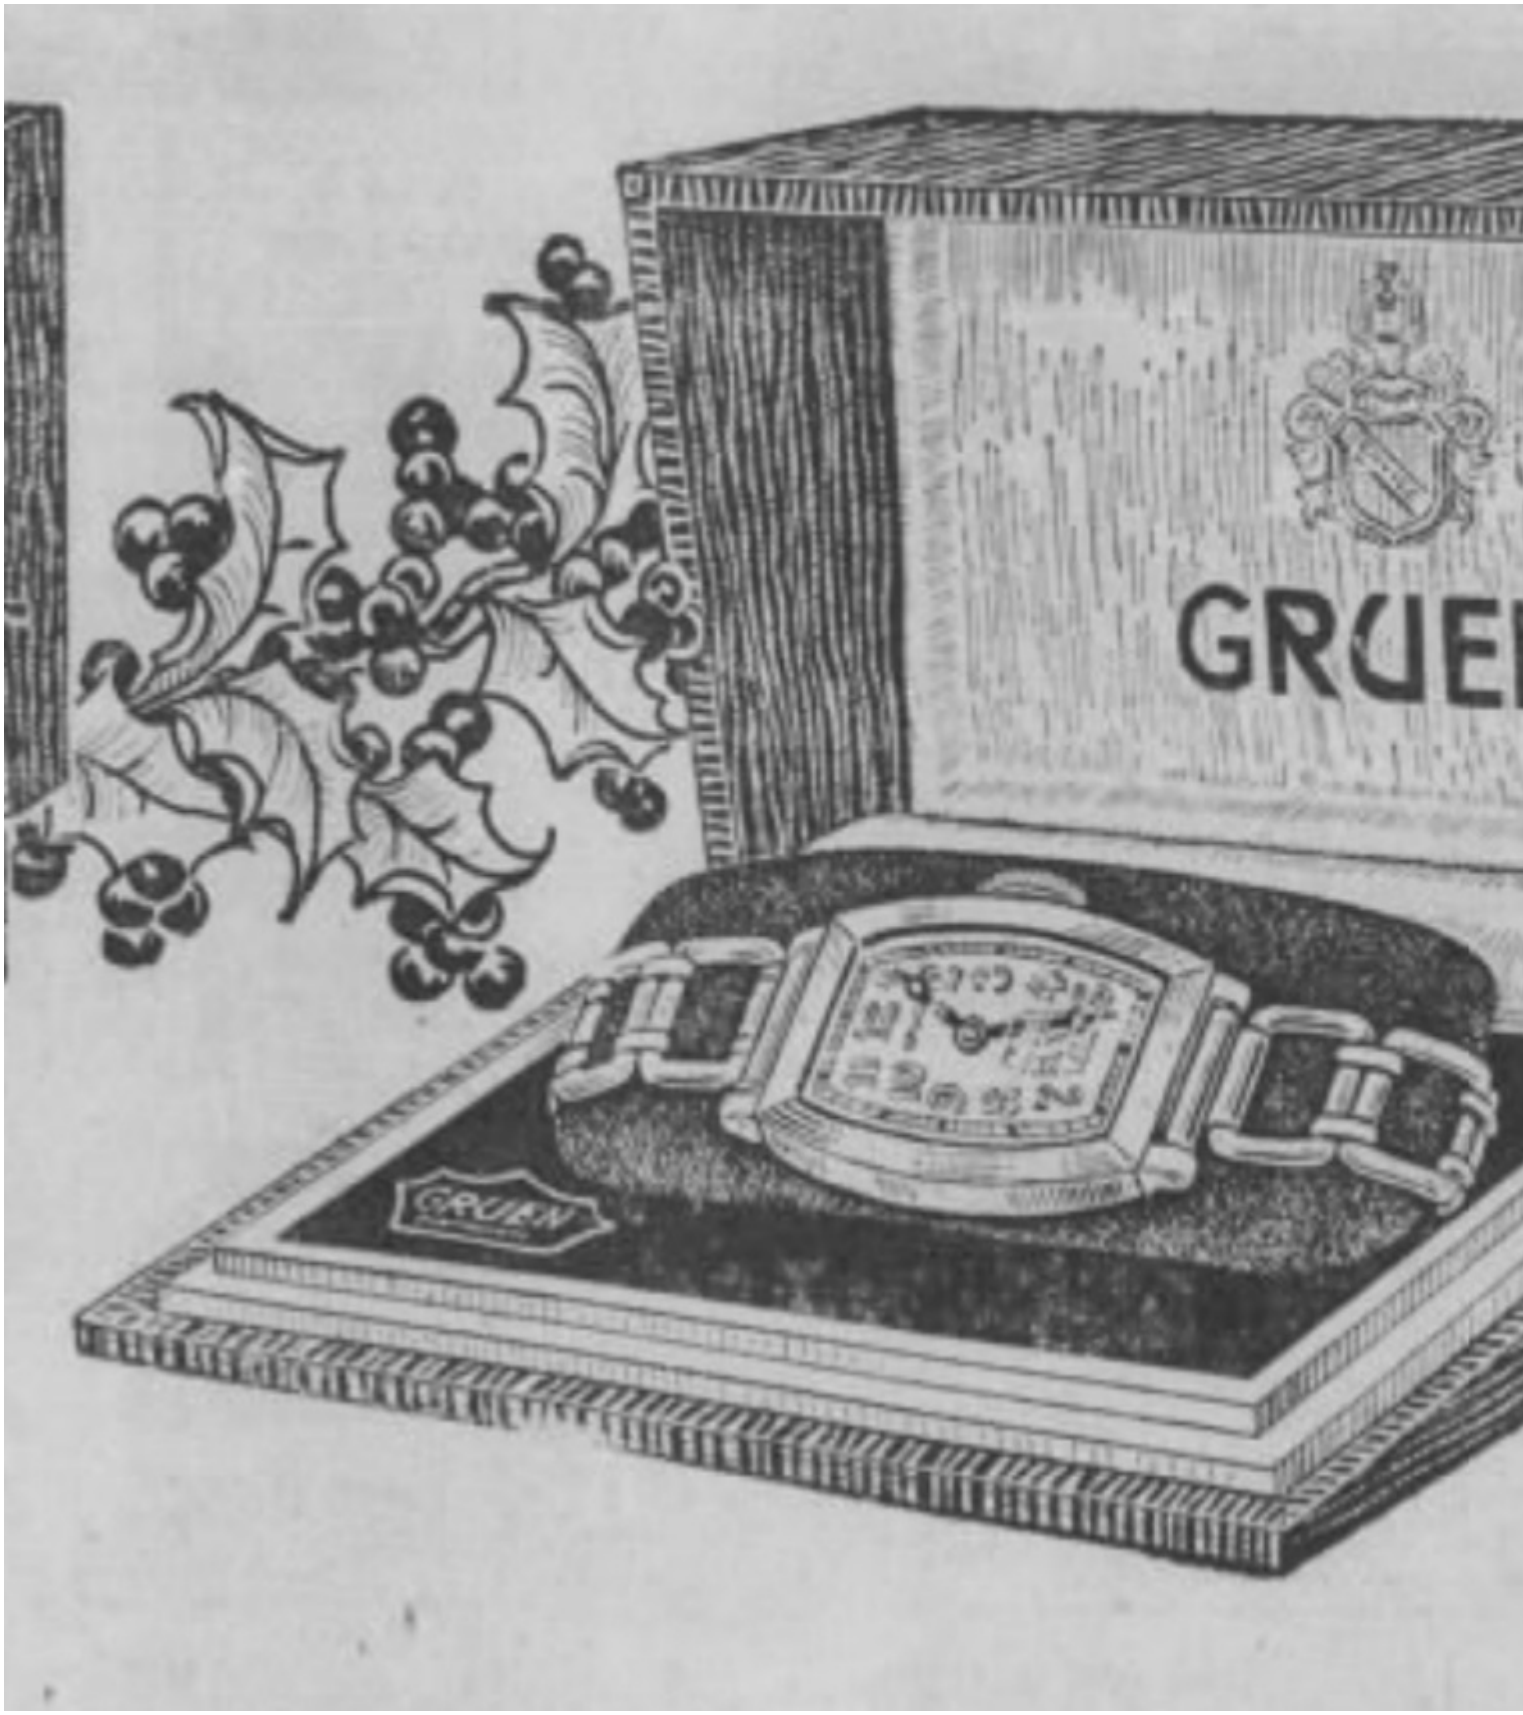

And I have some baguette boxes to show you if you'd like, ones really cool, art deco.
