Haha! Can't pull the wool over your eyes. It is.

Been awhile since I reminded myself of the "Progress" movement, worth sharing again, very special movements. And yes! I was surprised to be reminded of all the "WATCH" font you see on the dials.

<https://www.glashuetteuhren.de/die-uhrenfabriken/j-assmann-glashuette-i-sa-deutsche-anker-uhren-fabrik-1/gruenschen-uhrenfabrikation-gruen-und-assmann/>

And some interesting tidbits here for those that haven't read.
