Any atmospheric impressions... photos?

Just getting back from the National event in Lancaster, busy summer. We sold out in Portland, it was a hit! I believe we sold 130+ tables.

Mart setup, a couple tables were filled but many more still to arrive.

On the hunt for Ansonia Royal Bonn clocks. My daughter collects them.

Picked up an odd Binkosha gallery clock.

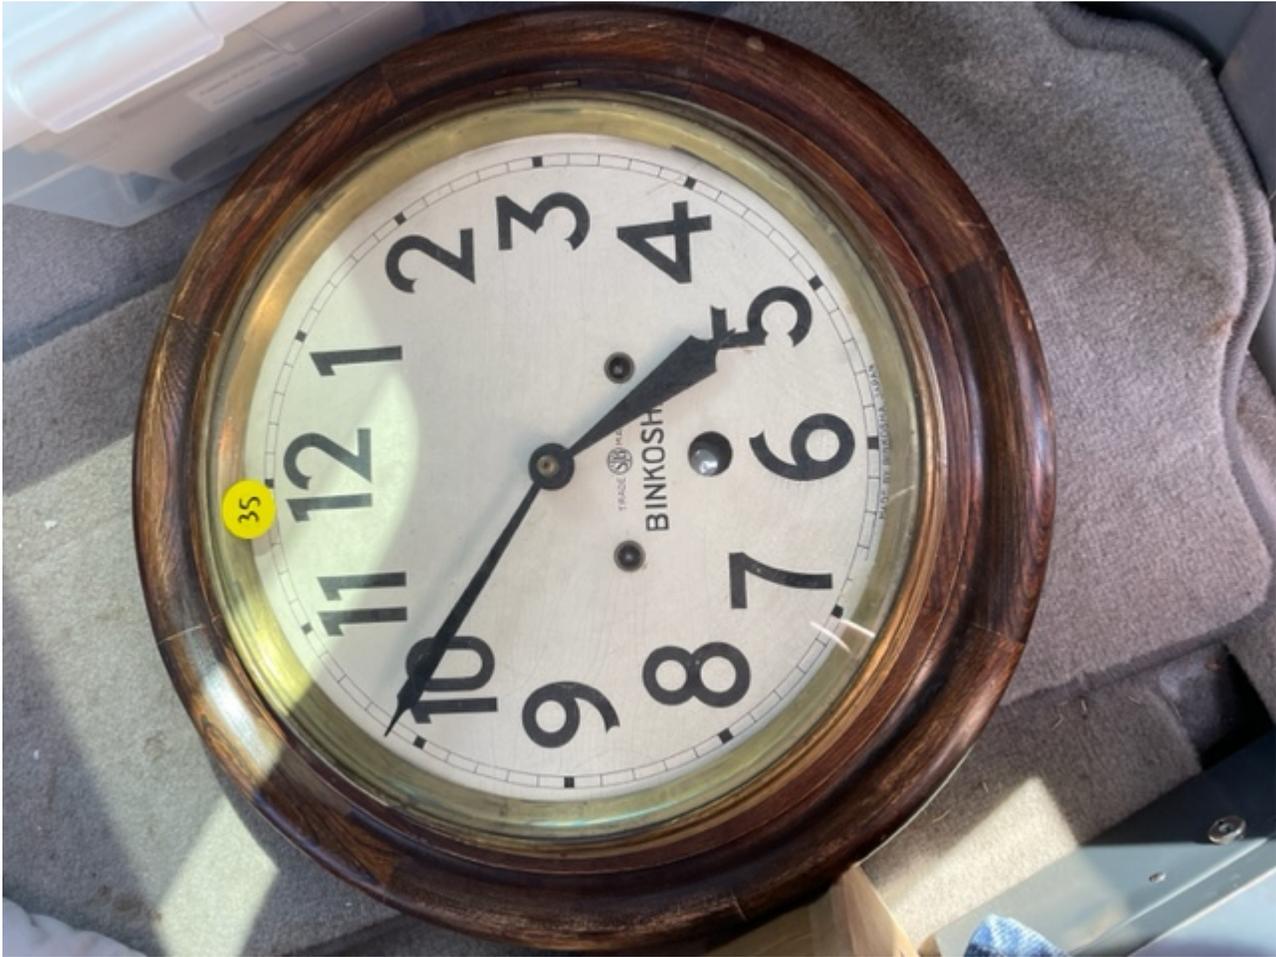

The free tables were a hit. We have 10 tables full of free items.

I sold more than I bought so that was good for a change.
