eicheng wrote on Thu, 04 December 2025 04:13Hi. I'm new to Vintage Gruen and want to collect veri-thin. If anyone has anything for sale or knows of best places to buy, please let me know. The best place is the local shows if your are in the US of A. The Florida show is one of the best in the country with 5 days and 300 tables of goodies. See the forum news for details and the NAWCC Events page.

Cheers!
