I think that 117 that Jenneke pointed out was from a Gubelin branded watch. The 'GR' marking is like those that were used in non-Gruen branded versions.

https://vintagegruen.org/vgforum/index.php?t=msg&th=858&amp;amp;amp;goto=19480&#msg_19480

the url is not going to the indicated page... odd. The 14 page of that thread has an image about 1/2-way down that will look like the movement Jenneke pointed out.
