Hi Jack, and thanks for your reply.

I'm somewhat surprised that the early Pan Ams were not all marked that way. But I would assume that the ones that are so marked were sold to Pan Am personnel, and that connection to the aviators of that era is what I'm after. It doesn't have to be during the war (though of course that would be a plus). Other things being equal, I would prefer one of the ones with a 14K case, but it's not necessary.

Many thanks!

Matt
