Model name : Unknown

Type : Tank

Period/date : Late 1920s or early 1930s

Gender : Men's

Case Maker : Weber et Cie

Case Material : 14k White Gold

Case Serial : 200366

Case Style no : N/A

Caliber : 885

Movement Maker : Font (cal. 324)

Movement Serial: 187813

Bracelet : Leather (Non-original)

Other info : I don't believe this model is in the Master Book, or at least I haven't spotted a match. I've had this model before, but in 14k green gold with an enamel (non-luminous) dial (see below). The hinged case is fairly large at 39x25mm with a 19mm strap. For "wrist presence," it's roughly comparable to an Imperial Tank.
