Model name: Unknown

Type: Tank

Period/date: Late 1920s or early 1930s

Gender: Men's

Case Maker : Weber et Cie Case Material : 14k White Gold

Case Serial : 200366 Case Style no : N/A

Caliber: 885

Movement Maker: Font (cal. 324)

Movement Serial: 187813

Bracelet: Leather (Non-original)

Other info: I don't believe this model is in the Master Book, or at least I haven't spotted a match. I've had this model before, but in 14k green gold with an enamel (non-luminous) dial (see below). The hinged case is fairly large at 39x25mm with a 19mm strap. For "wrist presence," it's roughly comparable to an Imperial Tank.
