## Nice Watch

I not sure about the case maker, It would seem that Western Watch Case went out of business in the 1900's according to Pocket Watch Repair Site.

http://www.pocketwatchrepair.com/histories/case-companies/ca se-companies-10.html, and may have been sold to The Illinois Watch, But I cant, at the moment confirm this. It could have also connected with the Illinois Case Co, which would seem more likely, but I cant confirm this either!

WWC seems to have been a Trade name for Wadsworth according to the NAWCC http://mb.nawcc.org/showwiki.php?title=Wadsworth\_Watch\_Case\_Co

I also have the same model in a WWC marked case, my Movement no is lower than yours, but the case number is higher, not sure what that means, just thought I would add it B
