A few pictures of my recently acquired Gruen Carré. No competition on eBay, so bought for a fair opening bid. Seller didn't know how to open it, so was unaware that it was enamel over solid silver. A little dusting and cleaning is all I've done.

I'll work it into the proper format eventually. I date this one to 1931 or so, mainly due to the adjustment data being milled out on the 885 movement.
