timeliz wrote on Thu, 12 March 2015 19:55 Nice one, Thojil!

That looks like the movement Baileybird was asking about at VWF.

You are absolutely right, timeliz, but Thojil's is marked "Factory L" and runs. Mine was in a case without a dial and is dead as a doornail!

This movement just doesn't look very "Gruenish" to me, but I am a novice about this kind of thing. Hopefully someone will know the maker.
