Model name : Unknown

Type : Octagon wristlet

Period/date : c1925

Gender : ladies

Case Maker : -

Case Material : Ultra Quality. Unmarked, but presumably white gold filled

Case Serial : 5011448

Case Style no : -

Caliber : 885

Movement Maker : 15J Gruen Guild, 3 Adj

Movement Serial: 102703

Bracelet : Appears to be original and the design matches that of the case

Other info : (Thanks to timeliz for her input). Recently acquired from ebay, I bid on this because it appeared to be a match set of watch, band, and case. Now that I have it in my possession nothing suggests that it isn't all original. This has the odd looking 885 that timeliz posted about in http://vintagegruen.org/vgforum/index.php?t=msg&goto=2861&msg_2861, and our SNs are very similar.

Notice that the case material matches the material for the similar era parts cases. The booklet was included and it folds up and fits nicely but there is nothing that identifies the date or printer.

*Follow these simple
instructions—and
your watch will
keep good time.*

ALMOST any watch will run for months after the last particle of oil on the bearings has disappeared.

And it goes without saying that injury will follow as surely as night
