## Bracelet:

I've recently been asked to help identify my late father's Gruen. I remember him wearing this piece in the '70s, but I don't know anything about the watch. Naturally, he didn't retain the original box or papers and the factory strap/bracelet is long gone. I received the two attached photos from my mother (forgive the blurriness) and would greatly appreciate any info that might point me in the right direction. Model name/number, movement details, approximate year of manufacture, etc.

Thanks for all!

Regards, Ken
