I have a Gruen Guild 15 Jewel, Swiss 1927 Cartouche, ladies watch with black ribbon band. 14K stamped on inner case & the numbers 153/65. In manufacturer's box with factory, paper inserts.

Face is worn & the watch runs.

I'm new to forums so forgive my naive behavior...please.

I tried to upload a photo & there are 2 more file attachments.

A close-up view of a dark leather watch strap. The strap has a prominent yellow leather lining visible along its edges. A metal clasp, featuring a shield-shaped emblem with the words "GRUEN" and "CINCINNATI" embossed on it, is attached to the strap. The leather appears aged and textured.
