Subject: Re: Please help identify this Gruen Posted by Barney Green on Mon, 13 Mar 2017 08:02:46 GMT View Forum Message <> Reply to Message

Hi Anne,

which additional information are you missing? I think we can add some more information if you specify what you want to know.

Here comes a very early ad of your watch, the first I own dates September 1st, 1929. This should be about the introduction date of this watch, the last ad I have is from February 1936. Quite a long availability of this model compared to others.

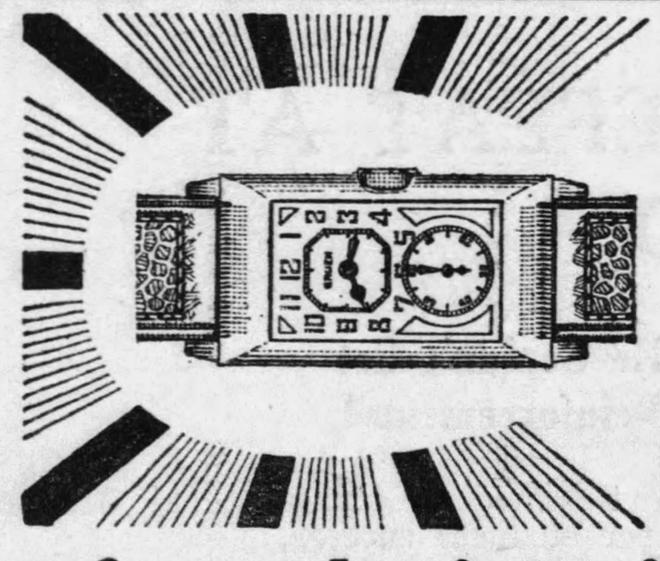

Best regards Bernd
