Barney Green wrote on Wed, 27 September 2017 17:46Hmmm, hard to ID.

I can't see a style number in the case, I would assume that the movement is a caliber 704. This could be a Strap 370 from about 1939, but I am not really sure.

Other opinions please?

What do you all think? Other than the hour hand and mine having the 705 movement it looks dead on to me. But i am FAR from being an expert.
