It went for \$717,000

That is alot of peanuts and popcorn.

Oh nice! Wow.

It was big news. This is what I love about Gruen.

I have learned more about Babe than I ever have because of these watches.

Started out as a pitcher blew my mind.

Looks like the Sultan of Swat had his own collection of Gruen watches.

Very cool. I think I prefer the green gold octagon, personally.
