Looks like you have plenty of options. I would search the bay using the mvmt/case# combo and hope a non-working example with a good case comes up. Good luck.

Taken from my late '50's Watch-craft crystal catalog. You may also want to try the 425-465 format as well as 425/465.

425/465

425/480

425/523

425/552

425/553

425/554

425/566

425/567

425/591

425/592

425/598

425/614

425/621

425/629

425/634

425/636

425/713
