You all notice under your avatar that we are all "junior members"? Could we make this system more watch centric? Like "watch apprentice"? Here are the rankings.

Yes, that's what I had in mind. I put together a bigger list with a bigger post goal. I pulled these names from the 129 Guild Supplement. Let me know what you think about these? Also I'm not sure if they're in the right order.

Gruen Apprentice - 10
Guildsman - 50
Guild Craftsman - 100
Guild Watchmaker - 200
Swiss Watchmaker - 400
Master Craftsman - 600
Guild Master - 800
Dietrich - 1000

not to be a stick in the mud, but I don't think we should equate number of posts with 'watchmaker' I like the Gruen apprentice and the guildsman, but after that maybe something that isn't associated with the training of a watch maker. maybe drop those two and spread out the points a bit.

I think that only about 4 levels are really necessary. 10 - 100 - 500 - 1000

How about apprentice, guildsman, (or should it be guildsperson?), master guildsman, dietrich's understudy ?

I guess I better get cracking with the post whorin' unless I want to stay at the apprentice level.

Or we figure out a way to 'cheat'.
