Looking for a stem for a white gold filled encased ladies 819. I would like a crown as well. PM if you have this, and how much. I looked in the Master book and I believe the 818,819, and 823 are all the same, and of course, I have neither.

Can't help on the crown but I have an 819 stem that is yours for free. I have misplaced your address so please PM it to me and it will go out on Monday.
