hi Ed

Just in doing a bit of research on this watch, you're in tough in trying to find a bezel for it. Apparently though, mid 60's Walthams and possibly some others used the same case/bezel. It might be easier to find one of those and swap parts.

Just Informed....

"Bulova and Waltham do have look alike bezel But they are quite small.  
It will take a Blancpain Mil-spec or Lip Mil-spec Bezel  
Both of those watches are well over \$7K and up"
