Hello Gruendom,

Ok, there are 3 Quadrons for sale on the Swamp w/cases and hands, for \$500.00. For any member who wants these, I will throw in 3 automatic/bumpers w/cases and new crystals, as well. That is under \$100.00 a piece. Now I know, that we've many talented "Swamp Hawks" that know what they are looking at, what they are looking for, and know their range they will pay.....I got it, so I won't insult your intelligence. However, I am still trying to sell off a good bit of items, and if you're interested, please let me know. I will not be offended if no one bites.....it's all good. Ebay item# 302181154115. I wish everyone a Happy New Year, many blessings, and fantastic Gruen finds for the 2017 year!!!!

Ah, for those of you who remember my crisis I was going through (still am actually) but this may be taking a turn for the better. I'll soon find out. Will keep those of you who are interested, in the loop.

Tomas
