Jewelers' Showpieces

by

GRUEN CURVEX*

Never were fine watches so proudly shown, never so proudly worn! These exciting new styles are so beautiful we call them Jewelers' Show Pieces! The Gruen of your choice will be dramatically new this season. So original in design it will stay new through the years. Each is a famous Gruen Curvex,* the world's first true wrist watch...with patented movement curved both top and bottom to fit the wristform case. Yes, here is the most precious gift of all—for yourself, or a specially-loved one. Only Gruen makes the Curvex and only Gruen jewelers sell them. Gruen is the official timepiece of Pan American World Airways. Gruen Curvex watches are priced from \$49.75. Other styles \$33.75 to \$4000, federal tax included.

see the difference

See how the patented Gruen Curvex Movement curves top and bottom to fill the case with larger, sturdier, therefore more dependable parts. Inside—Curvex is all watch!

See the wasted space in an ordinary watch. Flat movement in curved case has smaller parts. It's a curved case, not a curved watch!

Been trying to track down a bit more tangible date for this box.

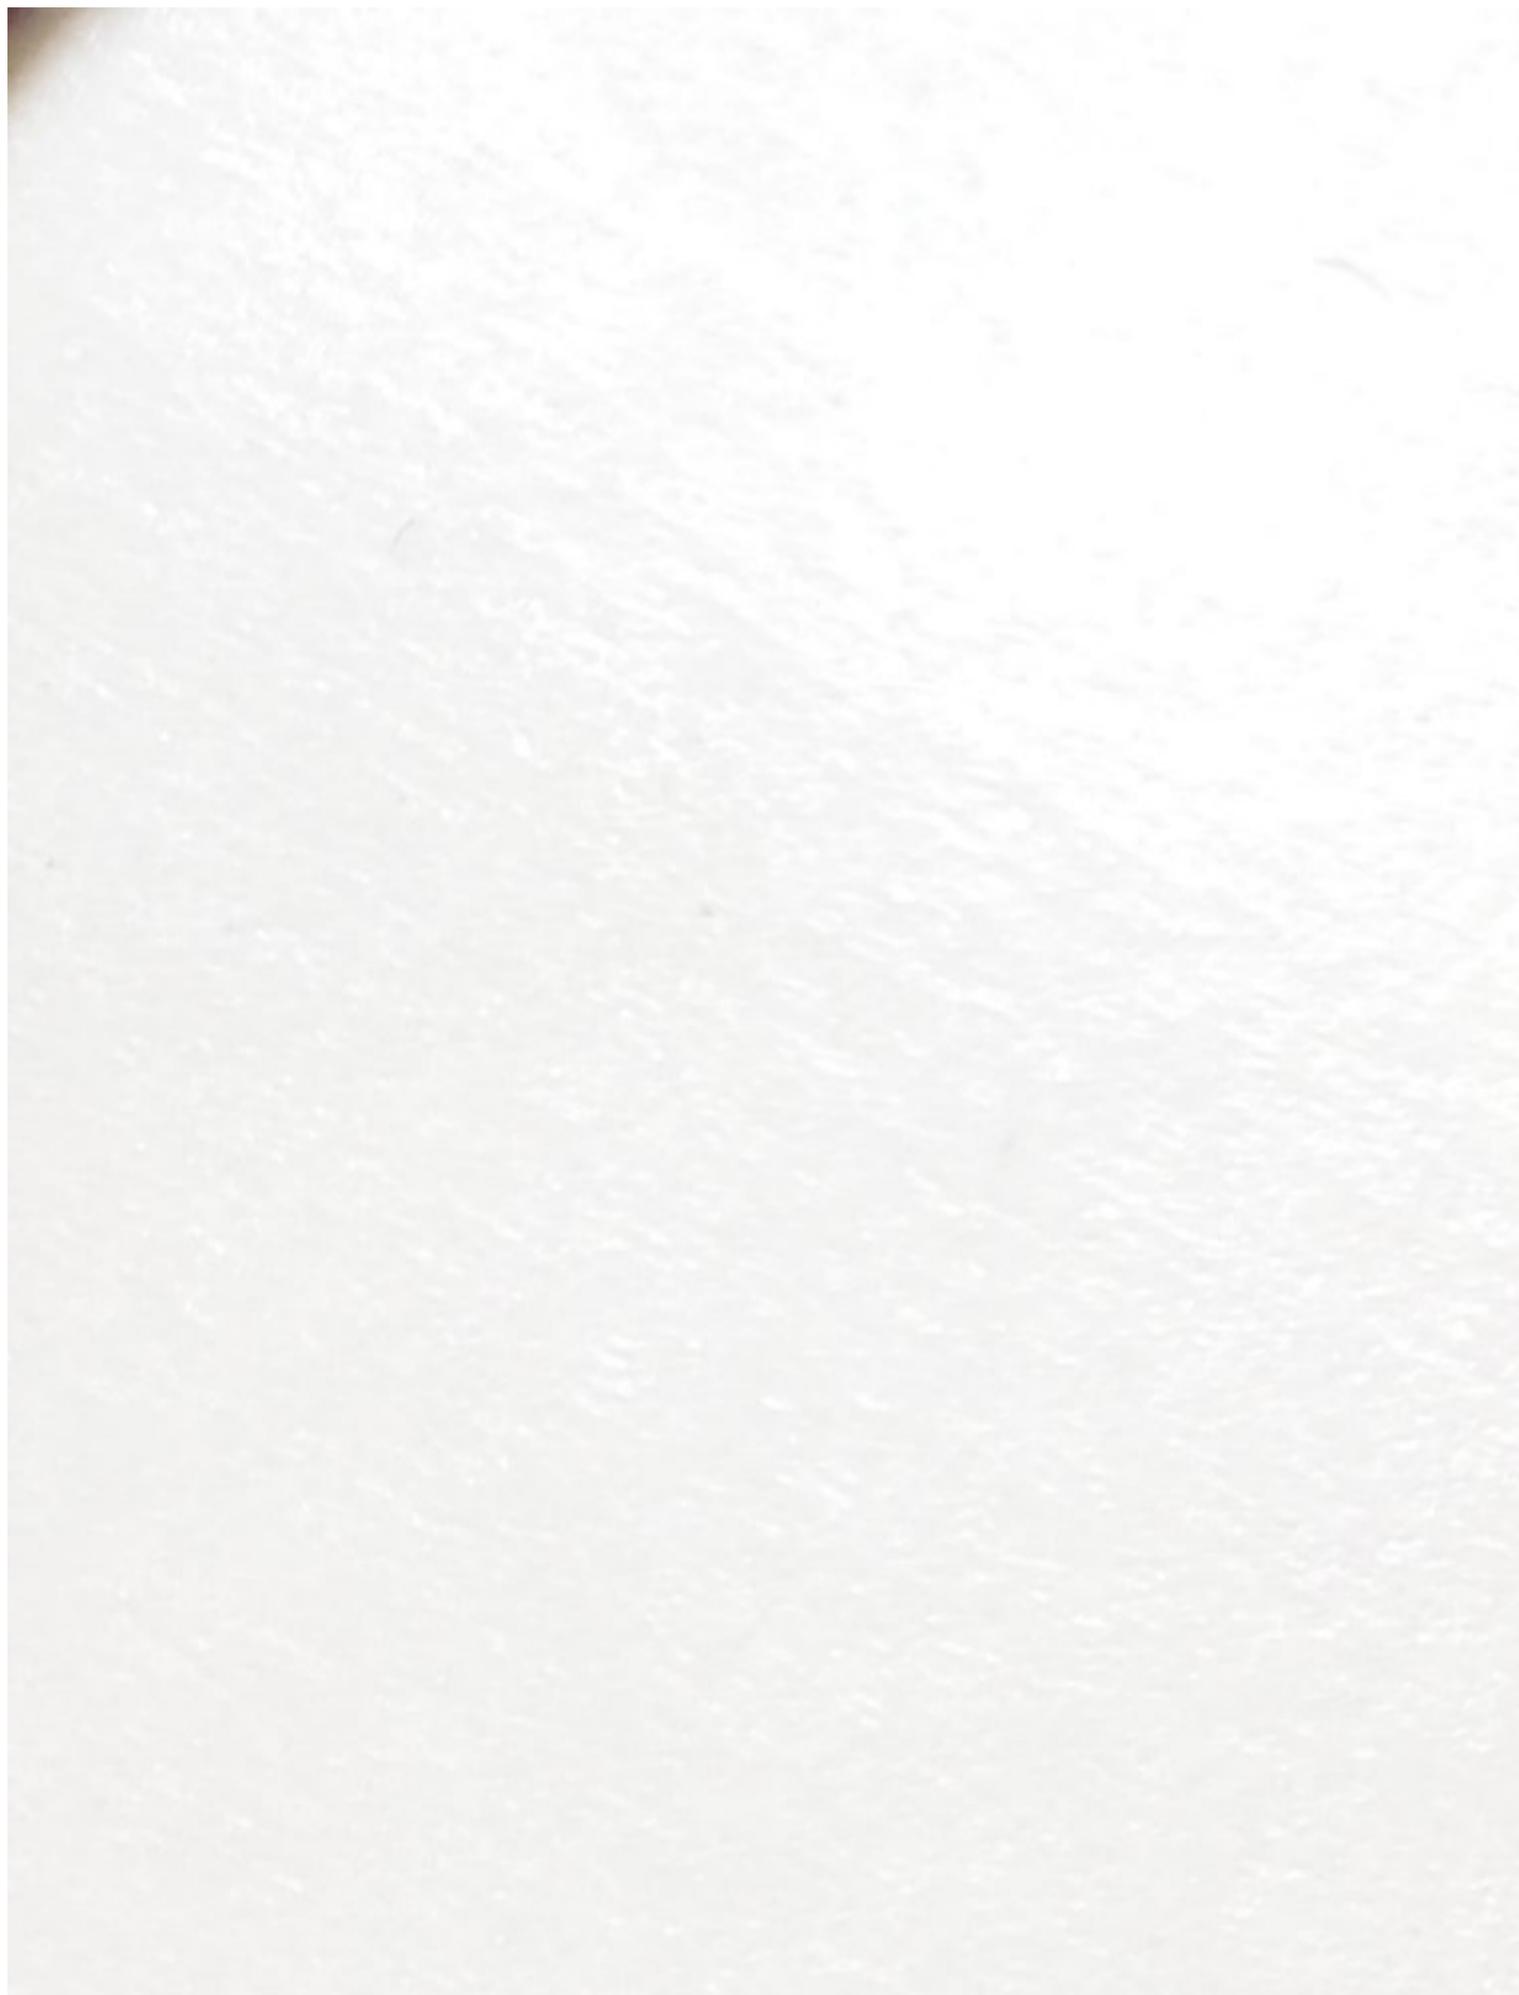

These straps also carry that cursive

These straps are on watches I date from 1950 (Portrait, Alligator strap) and 1951 (Virtuoso) and are original to the watches.

So it may be this box will migrate to the 50s eventually.

Confirmed blue is ladies version.

I envision that there was likely a men's display of same nature.

That is a nice display for diamond watches!
