Model name : WR83 Paris Square  
Type : wristwatch  
Period/date : c. 1925  
Gender : women's

Case Maker : Wadsworth  
Case Material : 14k Gold reinforced with metal  
Case Serial : 1010445  
Case Style no : 1

Caliber : 179  
Movement Maker : Gruen Guild  
Movement Serial: 118596

A fine style! This one has a broken mainspring. I also have the men's version of style number 1 (705/1), which doesn't resemble this watch at all.

Were these getting names in 1925?

Nope, first names appeared 1929...  
In 1925 they still had just names describing the outline, this was called the "Paris Square". Should be WR83 then.

Alright, thanks a lot. I had wondered if it were a Paris Square.

Request to mods to move this thread to the 1920s forum, since we have an ID on the watch.

Interesting! Can you post a pic of the mans variant? Always curious what the style numbers denoted. Not often we get two notably different watches to compare.

Okay. I'll take pictures today and make a new thread.

Side question: why is that photo attachment size limit 1.5 MB in some of our forums and 2 MB in others? (This is also why all of my new threads with pictures are going to be in the ID thread, even when I know what they are: the size limit is bigger.)

I have posted the men's version: <https://vintagegruen.org/vgforum/index.php?t=msg&th=2012&start=0&>

Turns out it was a 707/1. My bad.
