Model name: Quadron Annapolis

Period/date: 1930

Gender: Men's

Case Maker: Wadsworth

Case Material: 14 karat gold-filled "reinforced with extra gold"

Case Serial:

Case Style no: 123 108

Caliber: 123

Bracelet: Original matching gold-filled bracelet

Other info: Pictured in the 1929 Guild Book. This example is fitted with the "two-tone" (gilt bridges on rhodium plated pillar plate), showing milled spaces on the barrel bridge where the adjustment data had been. This indicates post-1930 production, as the US tariff was raised to \$1.00 per adjustment in that year.

Cary...first time I've seen an Annapolis. I love it!...a great looking watch and that band puts it over the top! It reminds me of the golden gate bridge.
