Other info:
- I found this Gruen Veri-Thin by chance on the Internet, I found it simple, in good condition, and I really liked the pink gold color. I am not disappointed, it is very clean. I think the dial is redone at the level of the varnish.
- I put on a brown bracelet and a pink gold-colored buckle.
- To be honest, I present to you my Christmas gift ;-) Yes, it’s me who gives me my gifts, like that, I’m not disappointed...
