This popped up on eBay and I thought I'd post a picture for posterity. I've not seen a lot of Gruen boxes with original paperwork, so I'm never too sure what era a given box is appropriate for. Evidently, this version was in use in 1937. That is all.

Lists the caliber and style number on the case too: 501-246. Guessing this then is a case with a man's watch.
