Hello Gruenites!

I want to thank those of you who purchase some watches from me!!! Bless all of you! I am far from "out of the woods" as it were, but you guys really stepped up to the plate, and I am eternally grateful!!!! Thanks again!!!!

I am in need of a mainspring for a Pan Am, and a 117. Be more than happy to pay for these. I want these watches I'm selling to have mainsprings, and run, when the customer gets them. I need one each.

Blessings to the Gruenite brethren (sisters included)

tu hermano en los relojs Gruens,
Tomas Garcia

I've a white metal spring for the 420. Can get that out to you next week if you'd like. Send an Email if you would.
